

### Remarks

Claims 1-3, 5, 7, 9-26, 28, and 30-34 are pending in this application. The examiner has issued a restriction requirement in this application. The examiner has identified a first patentably distinct species that is drawn, as claimed in claim 5, to the selection of the server that has the highest execution level among the set of servers. The examiner has identified a second patentably distinct species that is draw, as claimed in claim 7, to the selection of the server that has the highest input/output demand among the set of servers.

In response to this restriction requirement, the applicants select the first species, which is drawn to the limitation set out in claim 5. Claim 7 has been withdrawn. Applicants respectfully submit that no other claims include the limitation that is set out in claim 7.

Respectfully submitted,

---
